

IN SENATE OF THE UNITED STATES.

JUNE 14, 1836.

Read, and ordered to be printed.

Mr. LEIGH made the following

REPORT:

The Committee on Revolutionary Claims, to which was referred the petition of the administrator of John Philip De Haas, deceased, reports:

That the petitioner represents that, under an act of Congress passed in 1792, the accounts of his intestate, as a brigadier general in the revolutionary army, were settled at the Treasury; and that a certificate was issued to him for \$1,138 56, but this certificate cannot now be found, and does not appear to have been paid; and he prays that the amount of the certificate may be allowed to him.

The committee refers to the report made by it upon the claim of Frances Moore, executrix of John Elias Moore, at the present session of Congress, for the general reasons on which, in the opinion of the committee, no claim for lost certificates ought to be granted. The committee therefore recommends that it be

Resolved, That the prayer of the petition ought not to be granted.
